

Member's Bonus Plan

Helping you build a good
home based business

The Club's Mission

"To develop a system which helps people dramatically increase their chances of winning and at the same time provide a win/win situation whereby anyone using this program has an equal opportunity to generate regular, weekly extra income."

As the products of The Club (OzPower and GamePower Multi-Chance System) require a certain amount of explanation, it best suits The Club to "market itself" by way of a "word of mouth system," more commonly known as "networking." Instead of paying media companies (newspapers, television etc) and employing a sales force, The Club allocates monies instead, to be paid back to the Members in the form of "bonuses" or "royalties" to those who actively help to grow the Membership base. This is a proven system that has operated successfully throughout the world for nearly fifty years enabling many companies (and their Members) to enjoy considerable success, moving over 20 billion dollars of products and services every year. To the companies concerned, this means fast growth and a "customer loyalty" factor built into their client bases. To their members, it presents opportunities to personally create businesses that are almost unlimited in earning potential, starting with very little capital investment.

The Club offers it's Members a "Bonus Plan" that is second to none - a simple 9 level plan that encompasses automatic "monthly qualification" to receive bonuses, plus "compression" ensuring Members' rewards are not impeded by "gaps" in the lines.

Classic Members' Weekly Bonuses Levels 1 to 5

- 1 For each and every person a Classic Member personally sponsors onto their first level, (whether the person be a Classic or Platinum Member) they will receive a weekly bonus of AUD\$2.75.
- 2 For each and every Member on their second level through to their fifth level, the Member will receive a AUD\$0.50 cent bonus per member.
- 3 If a Member sponsors five Members onto their first level, they will not only be playing at no direct cost, they will also qualify to receive double bonuses (i.e. AUD\$1.00) on specified lines.
- 4 Specified lines (running vertically), are those lines where a Member has five frontline Members themselves and their individual frontline Member/s also has five Members underneath them on their own frontline. Instead of receiving AU \$0.50 cents for every Member on the levels 2 to 5, the Member will receive a bonus of AUD\$1.00.

For example, when you join The Club you pay AUD\$13.75 per week for Classic Membership. When you refer others to The Club your cost begins to reduce as per the examples below:

| | | |
|--|------------|---|
|  You | + 1 member | = AUD\$11.00 per week cost to yourself |
| | + 2 member | = AUD\$8.25 per week cost to yourself |
| | + 3 member | = AUD\$5.50 per week cost to yourself |
| | + 4 member | = AUD\$2.75 per week cost to yourself |
| | + 5 member | = AUD\$0.00 per week cost to yourself |
