The NEIFC (men's teams) and the NEWIFA (women's teams) exist to promote fencing competitions among New England's institutes of higher learning. A college joins simply by completing the membership applications and paying the annual dues. Our business is administered by a Coordinator of Competitions. We hold our annual business meeting during the course of our one day team and individual championship at the end of February.

Full Membership: \$50

Includes voting privilege, right to attend meetings of the Association, reduced rates for clinics and participation in the Fall Invitational and New England Championships.

Associate Membership: \$10

Includes no voting privilege, and no entry to Association tournaments. Does include right to attend meetings and clinics and will maintain school on mailing list.

Dues must be recieved by October 31st, 2000 for the '00-'01 season.
