Hello,

I am interested in the cover. Just wanted to verify we are talking about the same cover. It looks like it was from Lady Supreme #1 (Lady Supreme ripping off her clothes in a Superman-esque fashion by Terry Moore is probably not a common theme in comics). I have attached a scan I found just to check this is the same cover (on Terry Moore's website, of all places). Let me know and I will PAYPAL you another \$450.00 so we can go ahead and close these deals. Any and all signed items will be appreciated.

Thank You,

Jim Arnold

Hello, Jim-

I have spoken with Terry Moore and he says that he does have the Lady Supreme cover you're looking for. The asking price is \$450.00. Terry has also indicated that if you'd like to purchase this cover he would be glad to throw in two copies of the issue and sign them. Please let me know if you are interested. If so, I should be able to send them all out as one order. If you have any questions, feel free to ask.

Thank you,

Sherrod

Hello,

Just sent a PAYPAL payment for \$1600.00. Please mail art to:

James Thomas Arnold
637 Battery Place, Apt #5
Chattanooga, TN. 37403

Right off the bat, the only other Terry Moore piece I can remember wanting was a cover he did for Supreme back in 1990 (a looong time ago). It had Lady Supreme ripping open her suit (like Superman) to reveal her costume. If you have any other artist you represent, let me know and I'll check back with you.

Thanks for the Art,

Jim Arnold

Hello,

You got a deal. Let me know what your PAYPAL email user id is, and I will send you a payment. I've sent you PAYPAL payments in the past, but I don't believe it went to orders@bedrockcity.com. Also, if these pages could be signed by Terry Moore, that would be great. This is my mailing address:

James Thomas Arnold

Chattanooga, TN. 37403

Thank You,

Jim Arnold

Thanks. I'll get out my copy of the comic tonight, and see what pages look interesting. I already have a lot of the pages from this issue, so please ask him how much he would take for all of them (I believe there are 12 left, but I usually have to take off my shoes to count that high).

Thank You,

Jim Arnold

Hello, Jim-

I have asked about art from the issue you're looking for, and the following pages are available: 2-9, 16, and 18-20. Unfortunately, page 15 has already been sold. Each of these pages are priced at \$175.00 apiece. However, if you would like to buy 2 or more, I would be glad to discount them to \$150.00 each for you and ship for free within the continental U.S. If you are interested in purchasing any of these pages, please let me know at your earliest convenience. As well, if you have any questions, comments, or are looking for anything else, please let me know.

Thanks,
Sherrod

Hello,

I would like to know what is still available from that issue (and prices). I have bought several pages from it over the last two years, so I had a copy of it, but somewhere along the line lost my list. I had one person who also wanted to know if page #15 was still available.

Thank You,

Jim Arnold

Hello,

Do you still have any of Terry Moore's art from the Buffy the Vampire Slayer one shot Willow Tara WannaBlessedBe comic left? I had an email of what you had left from the last time I bought a few pages, but somewhere along the line lost it.

Thank You,

Jim Arnold
