As the Snow Falls

*As the snow falls, I imagine us
outside walking, not riding a bus
I imagine us together, just having fun
Whether it's cloudy or I see the sun*

Lazy Day

*It's a lazy day, and I don't do a thing
At least if you were here, I would sing
If I were by you, I would move about
If I were by you, I would smile and shout
Because when I'm alone I get so lazy
But when you are here, I get so crazy*
