

# PROCTER & GAMBLE INFORMATION TECHNOLOGY TECHNICAL SUMMER CAMP

August 6-8, 2003

## WHO IS SUMMER CAMP DESIGNED FOR?

- Minority Students entering their Junior year, Fall 2003; specializing in: Computer Science/Eng., Business/Management Information Systems, Programming/Software Development degrees.
- Students interested in Information Technology careers
- Minimum of 3.0 GPA

## HOW MUCH WILL IT COST?

Nothing, your trip is completely funded by Procter & Gamble (including air and ground transportation, hotel, and meals).

## WHO WILL HANDLE MY ARRANGEMENTS?

Procter & Gamble will provide information to make all arrangements including airline reservations, hotel reservations, etc.

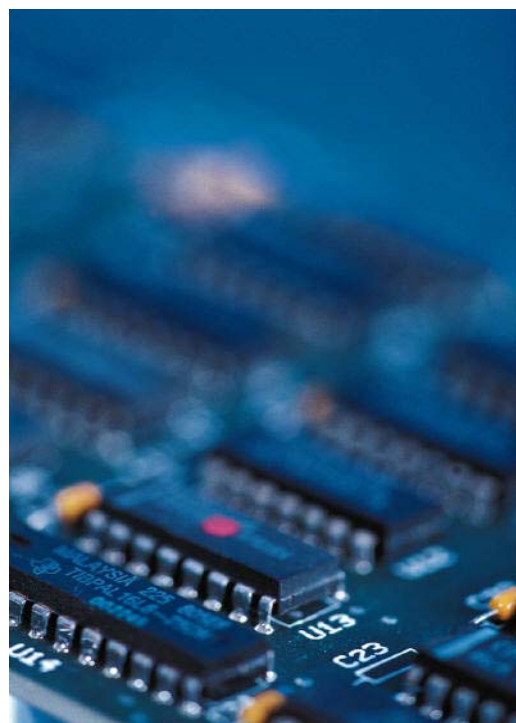

## WHERE WILL TECHNICAL SUMMER CAMP BE HELD?

Procter & Gamble Worldwide Headquarters and Technical Centers in Cincinnati, Ohio

## WHY WOULD I WANT TO APPLY?

You'll have the opportunity to:

- Spend 3 days learning about Procter & Gamble and careers in Information Technology
- Meet P&G managers and learn what they do on the job
- Meet students from other schools who are attending other P&G Summer Camps
- Be considered for an internship for the summer of 2004

## WHAT WILL I LEARN WHILE I'M AT CAMP?

- Learn how P&G uses Information Technology to drive business impact and results
- See how we leverage our IT expertise and knowledge
- How **YOU** might fit into a job at P&G and what that job might look like

## HOW DO I APPLY?

Go to [college.pg.com](http://college.pg.com) and click on the "Apply Now" button. Please research the jobs posted under Information Technology and look for the Technical Summer Camp position. Deadline to apply is March 1, 2003.

## HOW WILL I KNOW IF I'VE BEEN ACCEPTED?

After reviewing applications, we will contact candidates who match our criteria to set up an interview. After all interviews are completed, invitations will be sent out to those selected to attend by mid-April.

Candidates must be a U.S. Citizen or national, permanent resident, refugee or asylee, or temporary resident under the legalization program of the 1986 Immigration Act. P&G does not offer practical training positions nor sponsor foreign citizens to obtain work visa or permanent residency (except for certain highly specialized roles such as some R&D positions requiring Doctorate degrees).
