About Us

We are NewMexicoActors.com, a talent registry. We are an aid to the New Mexico film industry and its varied affiliates. WE ARE NOT a talent or a casting agency, however on occasion we are called on to assist on small budget movies, such as: Hamlet 2, Into the Wild, Dbl Rein-Beau, Maniacts, and Tortilla Heaven. Our intention for this site is to help people get the maximum amount of exposure possible through the Internet for their creative talents. ANYONE can access a person's photo and their resume. Personal information is held in strictest confidence. We are contacting film commissions, casting & talent agencies in New Mexico and other states, including Nevada, Utah, Texas, Oklahoma, California, and New York and Illinois.

We invite you to visit our site periodically, as it is constantly changing. We are currently working on other services that we can provide to you through the website. The site has had visits from out of the state and from around the world. We have NO restrictions of any sort for anyone wishing to join. Our fees are as follows:

* \$50 per individual per year (posted resume & photo) Free Updates for both.

We do require a headshot or photograph and resume that we may post, if a headshot is not available, contact us to make further arrangements. We have resume, skills list, and agreement & release forms to be filled out. We have 4 databases, 1. Actors & Background Actors, 2. Actors & Background Actors Children, 3. Crew, and 4. Vehicles for hire. We return a copy of their release form. Anyone can update his or her page with new photo or new info at anytime by contacting us at NO extra charge during the year. Please be honest in your resume.

Please pass this info along. We feel this is the BEST deal going around (13 cents a day for 24-hr. advertisement). Anyone that has posted a a website similar to this one, after 2000, is a copy and they usually charge more that we do. We have seen several sites like ours but they are not as comprehensive as ours PLUS they charge awhile lot more too.

Our fees are only for site maintenance. We also know the average pay per day for an Background Actor (we do not use the word Extra) is \$50 so you get back this fee the first day you work on a film. There is a limited time offer underway. If you, as a member get 5 people to join NewMexicoActors.com and they mention your name. We will refund your original joining fee!

You can pay cash and a receipt will be given or Check or Money Order.

*Please make payable to J. Nathan Simmons

* \$20 for a listing in an additional database. Exception: Sponsors

* \$10 we also now offer audio and audio/visual introductions.

We hope that you will visit our site and we wish success to each one of us in the coming year. Thank you
