Dear Chair: Prof. Tian Huang !

We are sending you the paper “New Theory of Rotor Dynamics:
Disk Rotor Dynamics with Static Unbalance Taking into Account Aerodynamic Drag Forces”
in electronic copy,
in hard copy.

The hard copies of the document are sent by common mail and airmail.

We would like you to kindly review the paper.

Please, confirm reception of the letter.

The appendix: paper

Best regards!

Yuriy Zhivotov

Deputy Chief Engineer
“Yuzhnoye” State Design Office

Dear Colleague,

Your paper has been received. But would you please send another one in English, for only English version could be accepted.

And if this email reach you, please confirm it. I remember that every email before was rejected. It seems that I am not welcome in your email system.

Yours sincerely,

Meng Li

Dear Chair: Prof. Tian Huang !

We ask you to confirm reception (E-mail) paper “New Theory of Rotors Dynamics: Disk Rotor Dynamics with Static Unbalance Taking into Account Aerodynamic Drag Forces”.

We ask you to inform registration number of this paper.

Best regards!

Yuriy Zhivotov
