Type of study: day

Results sheet

Selection from results book, volume I, no: 64, year:1998

Marks obtained during advanced studies by: **Niculescu Ana**

Date and place of birth: 13th Sept. 1975, Campina, Romania

Parents first names: father : Corneliu mother: Florinela-Beatrice

Address : Aleea Margaretei street, no. 10, bl. 20, apt.6, Campina, Prahova County

Scores during the years of study

First year: 1998/1999

Crt. No.	Courses Exams(E)/ verifications(V)/ projects(Pr.)	Total hours		Marks	
		Course	¹¹⁾	1 st sem.	2 nd sem
1.	Constitutive Models in Geomechanics(E)	28	14	9	-
2.	Turbulence and Boundary Layer(E)	28	14	9	-
3.	Practical Astronomy(E)	28	14	10	-
4.	Bifurcation Theory with Applications in Mechanics(E)	28	14	9	-
5.	Continuum Thermodynamics(E)	28	14	10	-
6.	Damage and Fracture of Material(E)	28	14	-	9
7.	Dynamics of Compressible Fluids(E)	28	14	-	9
8.	Cosmology(E)	28	14	-	9
9.	Distributions Theory with Applications in Mechanics(E)	28	14	-	10
10.	Boundary Integral Equations Methods in Mechanics(E)	28	14	-	9

General score: 9.30 (nine.30%)

2nd year 1999/2000

Crt. No.	Courses Exams(E)/ verifications(V)/ projects(Pr.)	Total hours		Marks	
		course	¹¹⁾	1 st sem.	2 nd sem
1.	Stability and Asymptotic Methods(E)	28	14	10	-
2.	Nonlinear Mechanics(E)	28	14	10	-
3.	Finite Element Methods with Applications in Mechanics(E)	28	14	10	-
4.	Newtonian and Non-newtonian Viscous Fluids(E)	28	14	10	-
5.	Thermal Effects in Continuum Mechanics(E)	28	14	10	-

¹¹ Seminars, labs, projects, stages, practical work, etc.

General score: 10 (ten)

General Average Mark Of The Academic Years 9.65 (nine and 65%).

Mark for Master Thesys:10(ten).

Serial number of the Diploma: D0007042

Number and Date: 2140/14.12.2000

Note: Duration of Advanced studies at the Department of Mathematics, section Fluid Mechanics and Solid Mechanics, is 3 (three) semesters.

Minimum mark is 1 and maximum mark is 10; mark or general score to pass an examination is 5,00(five).
