Remember with Futurity and Master Challenge classes this will be a very busy, full show so:

- **Get your entries sent in on time so we don't have to put a lot of last minute entries into the class sheets;**
- **Double check your class sheets to make sure your goats are in the right class and the show chair will also do this;**
- **Be ready to start on time and keep moving quickly so we are not at the show late into the evening;**
- **Please make sure you have your goats ready and at the gate to expedite the show process.**

Looking forward to seeing all of you, please share this information with others and let's make this a fun and exciting July Show.
