Please note following new service for your convenience

AT YOUR SERVICE is now providing a new optional service for your convenience. We will leave a fresh supply of items in your unit each time we do a cleaning for you. This service will ensure that you or your next tenant will have all the necessary items on hand during a stay there. The list of supplies include the following:

- 1 roll paper towel for kitchen
- 2 rolls toilet paper *per* bathroom
- 4 bars personal size soap *per* bathroom
- 6 large trash bags for kitchen
- 3 small bathroom trash bags *per* bathroom
- 1 box electric dishwasher detergent
- 1 bottle liquid dish detergent

Your cost for the above items is only \$6.50. We are sure you will find this service invaluable as it will eliminate the need for you to shop for these items yourself, especially if you do not visit your vacation home often enough to check on supplies. If you wish to have these items provided with your next cleaning, or at *any* time for that matter, please advise us and we will promptly take care of your request.
