## FESTIVAL ENTRY

This is the official entry form for the 2008 North Mont Film Festival. This form must be filled out and included when submitting your entry.

Please note that all submissions entered into the festival, whether they are chosen for exhibition or not, become the property of North Mont Film Festival, and while the rights of the film itself remain with the filmmaker, the copy will not be returned to the filmmaker.

All films, regardless of content, will be considered, assuming the proper steps for submission were followed. We do not limit the content of our films, nor will we censor any submission if it is picked for screening at the festival. On the attached form, we ask that you do divulge any such content that may be seen as inappropriate in your submission, solely for the sake of audience members who are sensitive to certain subject matter or may be bringing small children and may wish not to show them such content.

**NOTE:** please make sure submitted copy works before sending it in. If the film is submitted close to the deadline, receiving a working copy of the film might be impossible due to time constraints.
