

# UNIKON

## WINTER MAINTENANCE SPECIAL

Would you like your Unikon equipment checked out and ready to go for the next flying season? Now is the time! Deister Electronics is offering a special winter maintenance package on your Unikon Memory Module and Data Logger. Just send in your Unikon units for maintenance before March 1, 2006.

Pricing as follows:

Data Logger and Memory Module	\$155.00
Additional Data Logger	\$ 85.00
Additional Memory Module	\$ 85.00

Price includes return shipping, handling, taxes and a full one year warranty.

Service Includes - cleaning, changing batteries, and installation of the latest firmware upgrade. (foil, connectors and switches to be changed if required).

Service Excludes - replacement of housing and keypads - there will be an additional charge for this if needed.

Just send the Unikon equipment, your shipping information (along with a contact phone number) and include your cheque for the proper amount or credit card information to the following address:

Deister Electronics, Inc.
