

# LET'S SAVE THE WATER LET'S SAVE THE TRUTH

A WORLDWIDE CAMPAIGN TO RESPECT AND PROTECT THE SOURCES OF OUR LIFE

Turn OFF The Faucet  
Turn ON Your Brain

## Did You Know That...

If you leave the water running while brushing your teeth each morning you're wasting one gallon of water per minute???

## Did You Know That...

Old faucets waste more water than the new models? Today's faucets mix water with air and they can save 4 gallons of water per person each day. Renew Your Faucet!!!

## Did You Know That...

In Lima, Peru, and Mexico City, 40% of the population have to buy water from cars that sell it about one dollar per gallon?

**WE NEED TO STOP WASTING WATER  
OR ELSE IN LESS THAN 50 YEARS INSTEAD OF  
SPENDING A DOLLAR IN A CHICKEN BISCUIT WE'LL  
HAVE TO SPEND IT ON A GALLON OF WATER TO  
BRUSH OUR TEETH!!!**
