

The Gathering Of The Saints And The Prophets

Morris Bradley

Just as it was at the time of the birth of Christ, there is once more a “gathering of the Saints and Prophets” which signify a mighty event that is soon to take place according to our spirit guides for we are told that many of these old identities of past ages are to be born again over the next five years so from this we can conclude that a great happening may occur soon. This of course could be the second coming of Christ which has long been heralded and promised in the Bible. If Moses was reborn into the flesh again in 1933 as we have been told then he would be about 80 years old when the fantastic event takes place, and this would be about how old he was when he came down from Mount Sinai with the Tablets of Stone that held God’s Holy Commandments, so it seems only right that he be here again once more on this great day.

The Bible tells us that no Man knows the day or the hour of the coming of the Lord, and we believe this and don’t intend to pinpoint any exact period, but the Bible also says “that man shall know the time of the end” and this can be indicated by the fulfilment of certain prophecies, and information from the Ministering Angels (spirit guides) and throughout the World at this time in the year 1986 things are falling into place which could suggest that a period up to the year 2010 A.D. could produce unusual phenomena of sorts. The “good book” says that the “sea shall give up its dead” and that the “graves shall open and all those who have perished shall arise” and we are told that Abraham, Isaac, Sarah, Jacob and all the other old prophets and patriarchs are soon to be incarnated again so here we see the Celestial Plan taking shape where God unites all of the faithful in one mighty army to wait upon the Lord of Hosts.

Such people in our time as Churchill, Roosevelt, Ghandi, etc., that fought for the freedom of Mankind were guided and influenced from the spirit realms by the White Brotherhood a special spirit contingent of ministering Angels who have done all they could to influence people of good will, truth and beauty, to preserve God’s Kingdom, and this has been hard, for many of these notable people that were called to serve suffered many of the human failings and at times fell short of what was required of them, however each of them won the day in their own time and gave inspiration to us to follow on with the good works. This White Brotherhood is doing all it can at the moment, to awaken the sleeping souls which could be at least of the world population at this time, and hope that they will be ‘prepared to meet the onslaught of Armageddon which is in its initial stages already, this is why it is so important that the people of the World get the “message” neatly.

Not only are the “Army of Spirit Hosts” working hard on us all but so are the “positively aligned” extra-terrestrials (the good guys trying to contact us through spirit mediums personal contacts and visions, dreams and visitations, and the message is, to all the Souls of the World, wake up now, wipe the scales from your eyes and see the signs of the Lord approaching and don’t let it be like it was in the days of Noah with everyone singing and dancing etc., while the World was toppling on its axis. Now is the time to call upon Jehovah for Salvation.
