

Dear Teacher,

\_\_\_\_\_, a student in your school, has been chosen to participate in the Nova Scotia International Tattoo as a member of the 2004 Nova Scotia Tri-Service Cadet Display Team. One of the requirements for his/her participation, however, is that he/she must be finished exams and available for practice Saturday morning, June 19<sup>th</sup>, 2004.

The Nova Scotia International Tattoo is a great experience that will remain with this student for many years to come, an experience unique to cadets from this region. I would ask your help in arranging, if at all possible, for the early writing of exams. If you would like more information about the Cadet Display Team check out our website at:

Thank you in advance for your co-operation and support in this worthwhile activity. If you have any questions regarding the above, please feel free to e-mail me at [nscdt@yahoo.ca](mailto:nscdt@yahoo.ca).
