

NU Club of Nashville News

Winter 2004

In November 2003, five Northwestern University alumni met to reevaluate the direction of the NU Club of Nashville. We have designed an exciting season and we look forward to meeting each of you during the next year. Those involved in the planning represented a diverse array of backgrounds and we feel that we have something for everyone! Our goal for 2004 is both to increase participation in club events, thus increasing the available networking and socializing opportunities for all involved, and concurrently to assess the viability of our club. Please feel free to offer feedback and suggestions.

Reevaluation Meeting Participants:

Terry Kock, KSM95
Venuss Gervin, McC96

Stefanie Golper, WCAS95
