

October 22 Executive Meeting

Present: Heather, Janet, Brandon, Sarah Elaine, Nicole

Absent: Autumn, Bev, Shelly, Kristen

CSRC Designation

No "updated bylaws" sheet provided for returning clubs.

States on front of the NUSU package "Was your club a joint NUSU/CSRC club last year? Yes No" and "If YES, will your club be again this year? Yes No" so returning clubs have no way to know about .

Nobody could find the package in the office (include e-mails from people who tried to sign).

E-mail, website, and all internet contact information has CSRC in it so would confuse our current: could lead to breakdown in correspondence.

Bad planning on the part of NUSU/CSRC to have club packs do while 700+ students are on practicum.

Membership Changes

Kelly Bradley quit the club as executive member (secretary treasurer) and buddy.

Sarah Elaine has a possible person lined up.

Sarah Elaine was unable to contact Leanne or Elija yet. She will try to contact them again as will Heather.

Best Buddies Canada

Talked with Shelly before meeting about BB Canada switching managers too quickly and one of them taking a personal leave during the busiest time of the year.

An e-mail has already been sent addressing this 'disgrace'.

It was suggested to send another near the end of the year expressing all of our difficulties caused by it.

Meeting with Shelly

Received contact from the Skyhawks.

Will contact them with regards to discount for Skyhawks game and extending an invitation for the Skyhawks to come to our Gingerbread Challenge.

Shelly wants us to remember that too many associate members can sap more funds than we have.

November 4 Skyhawks Game

Concern expressed about bussing.

Last bus to game arrives 1 hour before bus, but no busses home.

Suggestion to send out carpooling requests to student buddies.

Heather (4), Janet (3), and possibly Nicole can bring students.

All November Skyhawks games are on Sundays so cannot remedy the situation by switching day.

Heather will contact Skyhawks about possible discount on tickets.

Gingerbread Challenge

Contact Skyhawks and Knight P.

Heather will contact faculty of ed pros to participate.

Sarah Elaine and Nicole can contact arts and science pros.

No Frills, Bulk Barn, and Bins & Bins will be approached to donate ingredients for the event.

Suggested to get a school gym instead of the ASC (Janet can book this for free).

Janet will also contact the teaching staff at the school.

Draft of letters for donations should be completed by November 1.

Teams must be submitted by November 23.

A suggestion was made to have a registration fee for the Gingerbread Challenge to help raise funds.

If people do not want to participate but still want to be involved, they could donate, or bet on the outcome.

Donation for other Organizations

Sarah Elaine would like us to use excess funds to make donations to PW foundation.

There is a camp that needs \$20000 dollars or it will not run.

They are willing to send people to help with the dodgeball tournament.

Our goal will be \$500.

A suggestion was made to have a registration fee for the Gingerbread Challenge to help raise funds.

If people do not want to participate but still want to be involved, they could donate, or bet on the outcome.
