

Best Buddies Executive Meeting (November 12th 2007)

(Signing rights will be given to additional members of the executive. Forms to fill out for withdrawals from bank account (with NUSU).)

Information from Club Presidents' Meeting:

- Additional forms to be filled out, as all events must now be approved by NUSU - fundraising, group events, etc, although meetings do not have to be approved.
- Fundraising now a requirement for clubs wishing to be approved again next year, although this does not affect us because we already fundraise.
- Posters must be taken down 24 hours after they are put up.

Upcoming Events:

Santa Clause Parade on November 18th - attending the North Bay parade and then returning to Sarah Elaine's house to watch the Toronto Parade on Television.

Gingerbread Challenge on December 3rd - will be taking place at the pinewood school, between 7:00 PM and 9:30 PM. We haven't finalized the particulars of where the completed projects will be displayed, although it would be nice to have them set up on campus if we could guarantee that they would not be destroyed (or eaten) by students. We may need permission from Aramark if this is to happen, as well as to book a table. As the flyer states that we will be providing a 'sturdy base', it would be great if we dropped by our local supermarket to pick up some cardboard boxes.

Movie Night, formerly scheduled for the 8th of January, has been postponed until the 15th (to allow students to settle in after returning from their Winter Break). Movies will be selected closer to that date.

Arts and Crafts night - February 2nd. There will now be tie-die as well.

Dodgeball Tournament in March - the date may still need to be adjusted. However, we ought to begin planning and organization as soon as possible. Remember to bring this up at the first executive meeting of 2008.

Sarah Elaine would like to give an informative seminar about PW syndrome at the school. Best Buddies could assist in presenting.

In addition:

are we ordering Best Buddies merchandise again, and how soon? We could offer them as possible christmas gifts... or we could make a small order for christmas, or even hold off ordering until January. The merchandise we have remaining consists of some christmas ornaments, picture frames, water

bottles, t-shirts, etc.

The next meeting of the executive is tentatively scheduled for November 28th at 3:00 PM, assuming that everyone can attend.

Also, encourage everyone you know to get a flu shot!
