### ■ Why I Joined Nikken

I had a strong desire to earn a seven figure income without the trappings and responsibility of an orthodox corporation. I wanted to be free to travel and enjoy a balanced life while at the same time knowing I was providing a worthwhile service to others.

### ■ Advice to Distributors

Have a clearly defined written objective that you are working towards, one that will inspire you and keep you moving regardless of your circumstances. Seek advice from distributors who have demonstrated by their results that they know what you want to learn and then follow that advice.

### ■ What I See for the Future

The potential for an individual to build a successful business is unprecedented. The combination of Nikken and the marketing and support of Team Diamond has created an opportunity which I personally believe is beyond the scope of our imagination. The future is going to be awesome to say the least.
