

ACTIVITY SHEET A

Choosing a Topic for Your Science Project (Interest-Based Science Preference Survey)

Which area(s) of Earth and Space Science would I like to research? (circle)

- Atmosphere
- Earth's Changing Surface
- Earth's Composition
- Earth's Interior
- Earth's Movement
- Erosion
- Gravity
- Hydrosphere
- Lithosphere
- Oceans
- Plate Tectonics
- Rock
- Rock Cycle/
Weathering
- Seasons
- Stars
- The Sun
- Water Cycles
- Weather
- Weathering

Why do these topics interest me?

What specific questions do I have about the topic(s) that I chose?
