Sunday, June 1, 2003

An exceptional variety of inviting and challenging jumps makes the Locust Hill course the most unusual in Dutchess County. The course will be approximately 5-7 miles through open rolling farmland and beautiful woodland trails. There will be approximately 50 fences, all with Go-Rounds for those not wishing to jump. The course will be marked and fences flagged. There will be a halfway mandatory rest point.

Teams may consist of 2, 3 or 4 riders. Signed release forms and negative Coggins within 12 months are required with entry.
