

Option Trading with Low Risk Paper Trading Strategy:-

Buy Call	Buy PUT
<p>Buy Call Options of Nifty if Nifty falls by more than -400 points</p> <p>Note:- Always buy next month's contract For example it is 4th April then you will select option's contracts of 30 may.</p> <p>TIPS :-For safe always buy ITM OPTIONS</p>	<p>If Nifty increases by more than +400 points then you will Buy Put options on Nifty.</p> <p>Note:- Always buy next month's contract For example it is 4th April then you will select option's contracts of 30 may.</p> <p>TIPS :-For safe always buy ITM OPTIONS</p>
