The base value is the local market value of a vehicle of the same year, make, and model as the loss vehicle, including average mileage, and all standard and predominant equipment. As such, the vehicle equipment listing reflects proper deductions for all standard or predominant equipment which is not present on the loss vehicle. In cases where a standard or predominant option is superseded by a replacement or upgrade, a corresponding addition will appear for the option which supersedes the standard/predominant option.

Adjusted Vehicle Value	\$ 3,284.60
