

# Zetas with Zest

## **Dear Historian-Reporter,**

**Zetas with Zest** is the section of Zeta Tau Alpha's *Themis* magazine that features news and photos of individual collegiate and alumnae members. Please include a photo, and print the details of your member's activity on the back of this form.

## **News**

- Zetas with Zest news should be about a member who has performed an outstanding service for her chapter, her campus or her community, or who has received recognition for her activities or scholarship.
- Zetas with Zest may be submitted at any time throughout the year.
- Space is limited, therefore, we cannot guarantee publication.

## **Photos**

- Every published Zetas with Zest entry must be accompanied by a photo of the member.
- Traditional film photographs or digital images printed on commercial photo paper are preferred. We cannot use digital photos printed on your home printer or color copies.
- For best digital image results, use a camera with at least 4.0 mega pixels set on its highest quality setting, usually "for enlargements." Images for publication in *Themis* must be at least 300 dpi.
- *Themis* does not publish photos of collegiate or alumnae members holding alcoholic beverages, including wine glasses.
