Omega Alpha Graduate Chapter

The Omega Alpha Graduate Chapter was established in 2002 with several purposes in mind. The alumnae wanted to:

- bridge the gap between undergraduate and alumnae
- assist with the transition from being an undergraduate to becoming an alumna
- help our sisters remain involved
- provide them with events for alumnae by alumnae
- allow them to work with CUS on a professional level
- and provide them with a second home away from home, their original chapter.

We pride ourselves in having events that serve the goals of the chapter and the organization. Aside from assisting our sisters, the chapter has one main focus, and that is assisting our communities. We strive to show the importance of community service, by joining together to support all causes.
