Omega Alpha Donates S.A.T. Preparation Books

Thursday, February 8th, 2007, Philadelphia, P.A. – The Omega Alpha Graduate Chapter of Corazones Unidos Siempre, Chi Upsilon Sigma National Latin Sorority, Inc. donated Kaplan S.A.T. preparation books to 19 local high schools.

With the help of Jennifer Pitt, Assistant Vice President of ELECT/CTC and Nisser Jimenez, Site Administrator of ELECT/CTC, Omega Alpha was able to send 19 local Philadelphia Comprehensive High Schools each a S.A.T. preparation book. These books were distributed specifically for students in the Education Leading to Employment and Career Training/Cradle The Classroom (ELECT/CTC) program and teachers will use curriculum time to work directly with Juniors and Seniors to properly equip them for S.A.T. testing.

The local high schools that will benefit from the books are: Benjamin Franklin, Dobbins, Edison, Frankford, Furness, Germantown, Gratz, Kensington, Lincoln, Mastbaum, Northeast, Olney, Overbrook, Roxborough, South Philadelphia, University City, Washington, West Philadelphia and William Penn high schools.

The Kaplan S.A.T. preparation books were given to Omega Alpha from the Drexel University Society of Hispanic Professional Engineers (SHPE) for students in neighboring high schools. This group effort was headed by Maria Rodriguez, a Drexel University graduate and member of SHPE.

ELECT/CTC

ELECT/CTC stands for Education Leading to Employment and Career Training/Cradle The Classroom. This program's main focus is to keep pregnant and parent teens in school and to help them graduate from high school. It also helps transition students from graduation to an institution of higher education, job or career.

Omega Alpha Graduate Chapter

Established in 2002, the Omega Alpha Graduate Chapter aims to keep alumnae involved, support our undergraduate chapters, provide professional events and assist our community. These goals are accomplished through various annual functions, monthly events and hands on community service.
