

Here are high-converting video generation prompts you can use for tools like Runway, Pika, Luma, or any AI video generator.

They're tailored to promote your **3-day free Full-Stack Development with AI workshop** and encourage users to **book a free demo**.

□ **1. Modern Tech Promo Video (Clean & Professional)**

Prompt:

“Create a dynamic promotional video for a *3-Day Free Workshop on Full-Stack Development with AI*. Show fast-paced shots of modern developers coding, futuristic UI screens, AI assistants, and people learning in an online session. Add smooth transitions, glowing tech elements, and bold on-screen text: *Become a Full-Stack Developer with AI, 3-Day Free Workshop, Book Your Free Demo Now*. Use upbeat background music, professional tones, and a clean modern color palette.”

□ **2. Energetic Social Media Ad (Short & Catchy)**

Prompt:

“Generate a high-energy 10–15 second promo video for a *Free 3-Day Full-Stack Development with AI Workshop*. Show quick clips of code animations, AI models, web apps loading, and happy students learning online. Add bold flashy captions: *Free Workshop, Learn Full-Stack + AI, Limited Seats — Book Your Free Demo Now*. Use bright tech neon colors and fast-paced transitions.”

□ **3. Instructor-Led Classroom Style**

Prompt:

“Create a friendly educational promo video featuring an instructor explaining AI and full-stack development to a virtual classroom. Show learners taking notes, interacting, and building simple apps. Add captions: *Join the 3-Day Free Full-Stack With AI Workshop, Live Training, Book Your Free Demo*. Warm, engaging lighting and soft background music.”

□ 4. Futuristic AI-Driven Theme

Prompt:

“Produce a futuristic technology promo video showing holograms, AI robots assisting developers, digital interfaces, and glowing code. Add sleek cinematic text animations: *Master Full-Stack Development with AI, 3-Day Free Workshop, Book Your Free Demo Now*. Use deep blues, neon highlights, and cinematic music.”

□ 5. Student Success & Testimonials Theme

Prompt:

“Create a motivational promo video showing learners achieving success—coding on laptops, celebrating project completion, and improving career paths. Add overlays of positive testimonials. Text: *Join Our 3-Day Free Full-Stack + AI Workshop, Transform Your Career, Book Your Free Demo Now*. Warm, inspiring visuals with uplifting music.”

□ 6. Minimalist Clean Ad (Corporate Style)

Prompt:

“Generate a clean minimalist promotional video for a *3-Day Free Workshop on Full-Stack Development with AI*. Use white backgrounds, simple animations, icons of coding and AI, and smooth typography. Add clear text: *Free 3-Day Workshop, Learn Full-Stack with AI Tools, Book Your Free Demo Now*. Professional tone with soft ambient music.”
