

Instagram के लिए ChatGPT कैसे उपयोग करें

1. Caption लिखने के लिए

आप ChatGPT से कह सकते हैं:

- ☐ “मेरे travel photo के लिए catchy caption लिखो”
- ☐ “fitness post के लिए motivational caption हिंदी में दो”

फायदा:

- आकर्षक captions
- hashtags के सुझाव (#travel #fitness आदि)

example:-

The screenshot shows the ChatGPT web interface. The browser address bar displays 'chatgpt.com'. The ChatGPT logo is in the top left, and 'Log in' and 'Sign up for free' buttons are in the top right. A red box highlights the input prompt: 'give me instagram seo optimized caption and hashtag to say "best ai tools are chatgpt, calude.ai"'. Below the prompt, the AI response is shown: 'Here's a SEO-optimized Instagram caption + hashtags for your topic (AI tools like ChatGPT and Claude.ai):'. The response includes a camera icon and the word 'Caption'. The main text of the response is 'Best AI tools you need in 2026!'. Below this, it says 'अगर आप productivity, content creation और smart work करना चाहते हैं, तो ये 2 AI tools जरूर try करें:'. This is followed by two bullet points with star icons: 'ChatGPT – content, ideas, scripts और automation के लिए' and 'Claude AI – deep writing, research और long content के लिए'. A lightbulb icon is used for the next line: 'ये tools आपका काम faster, smarter और easier बना देते हैं।'. At the bottom, there is a hand icon and the text 'Save this post & start using AI today!' next to a downward arrow icon.
