Vice Presidents Corner:

It's almost April. The trails are closed so it would be a good time to get your four wheeler in shape. Anyone wanting to represent the club in the 4th of July Parade should contact Char at 362-6474. We had a very good turnout at our Spring Safety Training class. Thanks to all the instructors who were there and also a special thanks to Brad Forgerty and Jim Yung.

Think Spring, Bernie

Trail Coordinator Corner:

The trail is CLOSED now and will reopen on May 26th. This is done to prevent damage to the trail during the thawing season. Some of the maintenance will also be done at this time. We still have ice fishing and some of us will have chores around the house. Don't forget to check out other trails that are still open when ours is closed. Come back with ideas for our trail. The campground is progressing with bids about to be let out. No word from Polaris on our grant request. Does anyone want to start an ATV club in the Lake Tomahawk Area? There is a new trail being planned and that won't happen if there isn't a club in place. For more information give me a call at 362-3953. I'll be gone most of April to the land on the other side of the big pond. Thanks for all those who taught the ATV classes and for keeping our sport safe.

Enjoy the snow melt.

Lester
