

celebrating
the power
of

pink

It's feminine, fun and filled with possibilities.

But it's more than a color. It's the irrepressible symbol of the potential in women. For 40 years, Mary Kay has nurtured that potential. We've inspired beauty with the most advanced skin care and the latest trends in color — all to help women know how great it feels to look their best. And from year to year, we've enriched women's lives by giving them new opportunities to fulfill their goals and bring their dreams to life.

Today, there are more than 1 million Mary Kay Independent Beauty Consultants in 34 markets worldwide. To find one near you or for more information about Mary Kay, please visit us at www.marykay.com or call 1-800-MARY KAY.
