

# MEMORIES TO SAVOUR

## Forty Years of Food, Facts and Fun

Memories to Savour is a book of recipes including staff and Family Studies favourites.  
Memories to Savour is a book of facts about the school and its history. Did you know.....

- there were many proposed names before Orchard Park was chosen?
- the original plan for the school included an auditorium with seating capacity for 700?
  - Orchard Park set a number of firsts in a variety of areas?

Memories to Savour is a book of fun, as seen through the eyes of the staff. Did you know that .....

- somewhere in the mountains of Italy, there are two goats named after two O. P. teachers?
- a teacher had to ask a famous Canadian poet to tone down his sexual references before the poet spoke to the students?
  - a student got on his knees in class to propose to his teacher?
- a teacher could never find her car, for the students kept moving it in the parking lot?

Buy Memories to Savour for only \$15 and get the real story of the school.
