## Tsunami Relief

On national TV last week in a special program on relief in the Tsunami areas, Lutheran World Relief headed the list of agencies that used 92% or more of the money it collected for the victims. LWR works with indigenous partners in the area to deliver relief aid and also help with recovery and rebuilding aid. Using as many supplies bought close to the areas in need helps recovery in the economic areas also. You may donate with credit cards by calling 1-800-597-5972 or using the website: www.LWR.org What are you willing to give up?

## World Hunger Message

"Be doers of the word, and not merely hearers who deceive themselves."  
(James 1:22)

What are you doing? Jesus said, "go and do likewise," not go and plan to do."  
How are you making a difference in the lives of people in need?

According to Global Rich List calculations, only 10 percent of the world's population has an annual income at or above \$24,400 (69.59 a day). Three billion people live on less than \$2 a day. Consider donating one day of your income to the ELCA World Hunger Appeal.

Prayer: Gracious God, give me the courage to connect my priorities with my checkbook, and my values with my assets. Amen
