First Person Impression

During the business meeting in January, the unit's historian suggested that we try creating a First Person Impression for the 2008 season. Mr. James Thanks passed out very detailed handouts for each of us to use in our research. If you did not receive one of these handouts or need a new one, please email Mrs. Quinn Meade or Mrs. James Thanks and they will see that you get one.

During our March meeting, I would like to hear that everyone is working on their "First Person Impression". Our goal is to use the "FP" during the season, but focus on using it as a group for Fayette. So we have until July to learn our parts as well as the others in the group.

Any questions and further indepth discussion will be available during the next meetings.

Warmest Regards,

Mrs. Quinn Meade
21st OVC President
