 - Stove fund money was used to purchase a new hood fan for above the stove. Thanks to all alumnae that donated.
 - More renovations are needed - chapter room and hallway walls will be re-done over the summer.
 - Summer housecleaning is June 26 and alumnae are invited.
- ◆ Missing Alpha Rho Alumnae – Headquarters has provided a list of missing Alpha Rho sisters. Those in attendance were able to offer some help in locating missing sisters. The list will be posted to the Chapter Association website and distributed to the e-mail list.
- ◆ Mentoring program – The mentoring program provides a way for more distant alumnae to become involved with Alpha Rho. The list of seniors along with major, minor, and post-graduation goals is posted on the Chapter Association website. Contact the Alumnae Relations chair to get involved.
- ◆ Discussion about holding another event similar to the successful American Bistro fundraiser. Suggestion was made that although the CA can help coordinate such events, the collegiate chapter should be the initiator of the event in order to meet the suggested National goal of the chapter providing 1-2 alumnae/collegiate relations events per semester.

- ◆ AP Chapter Association website - The AP Chapter Association website is located at www.geocities.com/owudzalumni - Please visit and offer feedback!

- ◆ Meeting was adjourned; refreshments and sharing of fond AP memories ensued!
