## MISSION STATEMENT

### Our Mission

Central States Trucking Co. (CST) is a regional transportation firm, which focuses on the Chicago and greater Midwest marketplace. We offer a variety of quality transportation services, which includes dedicated contract carriage, container & intermodal drayage, airfreight services, and assembly & distribution programs. We conduct our business responsibly to achieve respectable financial return, while maintaining rates and tariffs which reflect fair market values.

### Our Values

Central States is committed to premium customer service and mutually rewarding business relationships. We recognize that our people create our competitive advantage. Our conduct is characterized by honesty, fairness and integrity. We pledge to champion a superior highway and internal safety standard, through uncompromising staff qualification and stringent adherence to governmental transportation regulations.

### Our Vision

Central States will continue to be regarded by its employees, customers and competitors as an industry leader in its ability to provide quality service. We will be the standard by which other trucking companies measure their performance. Our success will draw from the experience, initiative, and teamwork of our people, as we continue to provide innovative and effective responses to the progressive challenges of our industry.

CST provides premium transportation services from two CST locations and through the agent services of Recob Trucking (CLE) and Newark Parcel (CMH):
