

Skit – the Outdoor Code

HOMEWORK: Practice the skit at home. Memorize your lines and actions. We will present this skit at the September 29 Pack meeting.

Scout 1: Walk in with right hand over heart as if saluting the flag. Say confidently: “As an American”. Stay up front.

Scout 2: Walk in with thumbs tucked in at arm holes/suspenders and stand next to Scout 1. Say proudly: “I will do my best to”. Stay up front.

Scout 1 & Scout 2: Throw a couple of crumpled pieces of paper on the ground.

Scout 3: Walk in and pick up papers and put in plastic trash bag. Stand next to Scout 2. “Be clean in my outdoor manners”. Stay up front.

Scout 4: Walk in and stand next to Scout 3. Strike and light match.

Scout 3: Use squirt gun to put out match.

Scout 4: “Be careful with fire”. Stay up front.

Scout 5 & Scout 6: Walk in and pretend to bump into each other. Pretend to dust them off and make sure they are ok. Stand next to Scout 4. “Be considerate in the outdoors”. Stay up front.

Scout 7.: Walk in pretending to sweep the floor with a broom. Stand next to Scout 6 “and be conservation-minded”.

All: Together: “As an American, I will do my best to – be clean in my outdoor manners, be careful with fire, be considerate in the outdoors and be conservation-minded.”
