

JOIN A TI USER GROUP AND YOU'LL FIND STRENGTH IN NUMBERS.

Be a part of a community of educators who share knowledge, expertise, ideas and activities at a TI User Group meeting. Whether you're a new or experienced TI technology user, come learn valuable tips and shortcuts and meet other teachers who are discovering and sharing new ways to incorporate TI technology into their daily instruction.

Peel Region TI83/84 User Group

Come out and learn how to more effectively use your TI83/84 calculator. Each month has a planned session offered in the north and south of Peel region for your convenience.

There is no cost to join and you will network with teachers of secondary Mathematics from both the Dufferin-Peel CDSB and Peel DSB.
