

Citizens Earthquake Action Group

CEAG placed the following proposal for an Earthquake Reconstruction Authority the commonwealth members of parliament, Mr Allan Morris MP and Mr R Brown MP on the twenty ninth of January 1990.

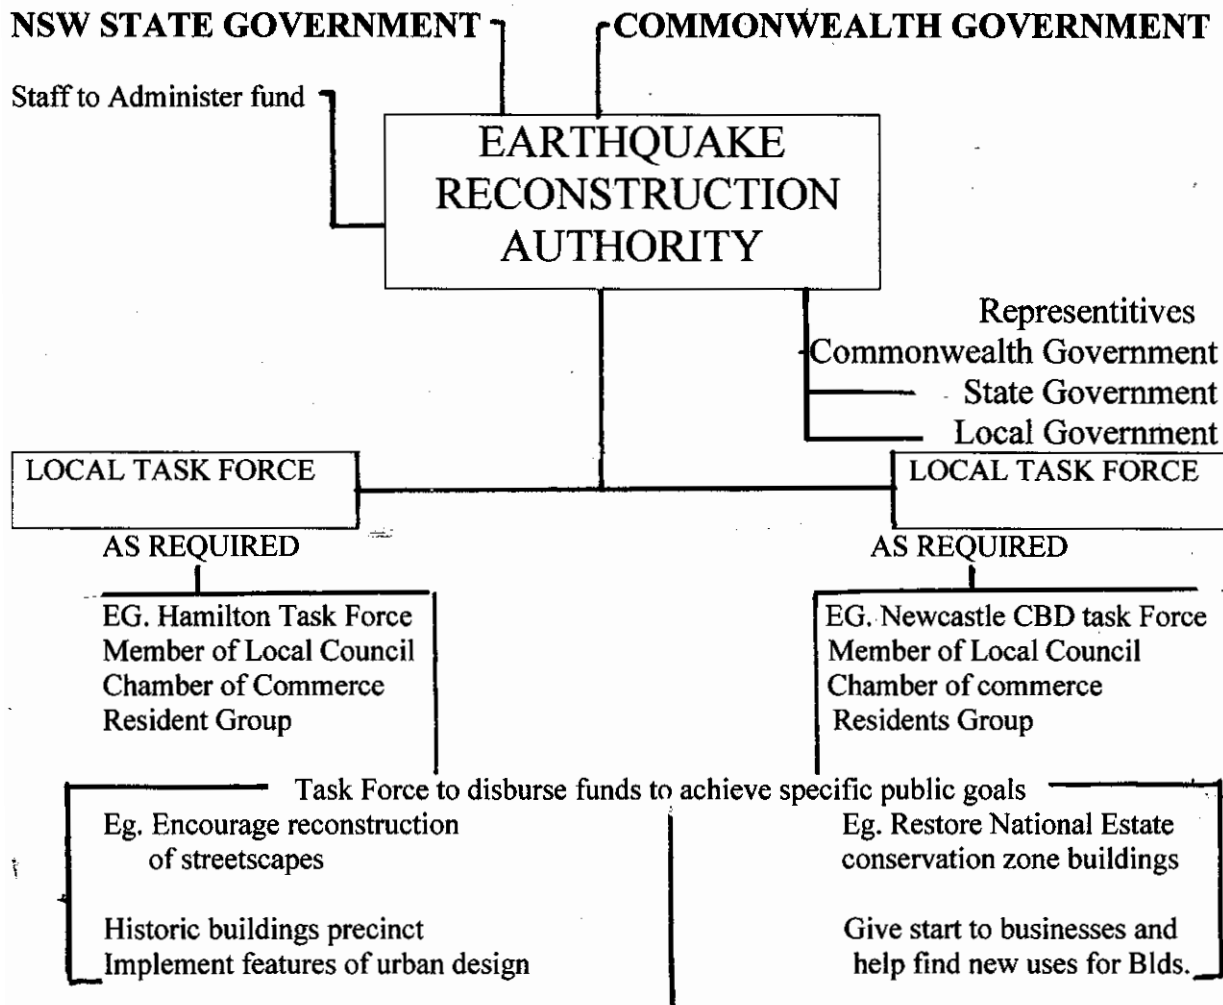

COPY

Mr. Bob Brown MHR
251 Wharf Rd.
Newcastle

Dear Bob,

The Citizens Earthquake Action Group would like to see the commonwealth government taking a lead to help reconstruct Newcastle.

Suggested Structure

Other assistance bodies would still continue to operate.

Our proposal is to augment existing bodies with a direct Commonwealth presence.

Doug Lithgow Spokesperson for CEAG.
