New Chapter President and Vice-Presidents elected

Chapter 211 held a meeting on March 05, 2003. Present were 11 members of the Miami ATCT, two members from Ft Lauderdale ATCT, and two members from West Palm ATCT (via telcon).

It was announced that Oscar Scudieri and Cecil Artrip were no longer capable of serving in the capacity of Chapter chair and vice chair, respectively. Brother Tony Gispert asked for nominations for the vacant offices, to which Kevin Farmer and Juan Reyes were nominated for the positions of Chapter chair and vice chair respectively. One of the members from West Palm suggested that others in their facility may be interested, and the process was held in abeyance for two weeks so that additional solicitations could be collected. It was also decided that any potential nominee would contact the MIAMI SMO rep to have his/her name placed into consideration.

On the 19th of March, another meeting was held and phone calls were placed to the MIAMI SMO rep asking about receipt of nominations for the vacant offices. None were received. So at that time, Kevin Farmer and Juan Reyes assumed the offices mentioned above based on the motions made at the previous meeting.

On the Friday the 21st of March, Emily Edwards was telephoned at the National Office and verbally informed of the change. A written announcement was subsequently faxed to PASS National as well.

Also, effective on Friday, the 21st of March, Brother Thomas Ruth assumed the duties of Miami ATCT ESU SSC representative.
