$100 Reward

The PASS Sheriff is calling out to all PASS Deputies (members) to round up some examples of why contracting out does not work. Email your observations to sheriff@passnational.org or call the PASS National Office at (202) 293-7277. If the information is released in a recognized media outlet (TV, newspaper, radio) you will receive a **$100 reward!** Only the first person to get the tip to PASS National will receive the reward, but there is no limit to the number of tips you can report. The PASS Deputy Program is around for only 90 days, March 1–May 31, 2003, so don't delay in the fight to save our jobs!
