Life

If life is a dream
How come mines a nightmare?
If life is a boat
How come mines sinking?
And if life is eternal
How come I shall die?

Paranoia

If I screamed
Everyone would wonder why
But if I didn't
Everyone would pass me by

Norse Proverb [Traditional]

Fodder, Flax, Fire, Frigg
Something to eat
Something to wear
Somewhere to keep warm
And someone to love
