UPDATE

The board members would like to take this opportunity to thank all of the homeowners who have responded about the direction in which it has been moving. There has been a great improvement in the way everyone has been maintaining their yards and responding to the friendly reminders sent by Today Management. We would also like to say thanks to the homeowners who have paid their delinquent association dues. **To the ones that remain delinquent, we are actively pursuing every means possible to collect these fees.** Please keep up the good work as a curb appeal will only help to increase your property values.

MEETING

There will be a meeting held September 4, 2003 at 7:00pm in room CHORUS ROOM at Collins Hill High School.

This meeting will be a question and answer session with your current board members to whom you as a homeowner can express any concerns, comments, or suggestions. This meeting will only be with your current board members and it is a great opportunity to get to know them and the direction that they are trying to take this subdivision.

Please mark your calendars for this date and plan on attending. Remember this is the opportunity to become Pro-Active in your community rather than Re-Active.
