

Pelco Loses Season Finale

There are good losses and there are bad losses. The 29-12 shellacking that pelco took a week ago was a bad loss. But last night was a good loss, because for 6 out of the 7 innings, Pelco's defense was superb. Just the 7 run 3rd was the only blemish of the game as Pelco held the USG Bulldogs (B Div) to just 5 runs through the other 6 innings. The score was tied going into the bottom of the 3rd, when everything that the Bulldogs hit just seem to find the holes as they scored 5 of there 7 runs with two outs. Pelco battled back in the top of the sixth with 5 runs to cut it to a 10-8 game before finally losing 12-9. Steve Dolinsky went 4-for-4 with 2 RBI's in the game. Besides making a fine leaping catch on a line drive up the middle, Dearles Rodriguez went 2-for-3 driving in 3 runs. And Adam Ovalle, a last minute change in the line up also drove in 2 runs. Overall is was a well played game by Pelco. Pelco's now will begin their playoff season. Their first game has not yet been scheduled.
