

***Dear Potential Leaders,***

All these following lessons I'm going to bring to you contain altogether 17 laws of teamwork. It is condensed from the book by John C. Maxwell, "**The 17 Indisputable Laws of Teamwork**". Of course, there are more examples and illustrations in this book but all I'm going to bring to you are just some of the key points. These articles are not downloaded from Internet, it's from painstaking work to condense and summarize the book. I hope through these lessons, all of us can incorporate the strong teamwork spirit for PELTAC 2004. The 17 laws of teamwork are:

- 1) The Law of Significance**
- 2) The Law of the Big Picture**
- 3) The Law of the Niche**
- 4) The Law of Mount Everest**
- 5) The Law of the Chain**
- 6) The Law of the Catalyst**
- 7) The Law of the Compass**
- 8) The Law of the Bad Apple**
- 9) The Law of Countability**
- 10) The Law of the Price Tag**
- 11) The Law of the Scoreboard**
- 12) The Law of the Bench**
- 13) The Law of Identity**
- 14) The Law of Communication**
- 15) The Law of the Edge**
- 16) The Law of High Morale**
- 17) The Law of Dividends**

I hope this will not just remain as knowledge but will be tested and used in our preparation for PELTAC 2004.

**Regards,**

***Abel***
