

HAY AND STRAW BALE DELIVERY CHARGE ON REQUEST

Dear Customer

It is with much regret and sadness that we have to inform you that this farm shop and nursery will from Monday 1<sup>st</sup> January 2007 no longer operate as we know it today. This is due to a lack of regular users who are prepared to purchase most of their veg, fruit and eggs from us.

However we are offering an order only service for collection or delivery (Weston/Newbridge) on a Saturday only 10.30am – 5pm. We can assure you of the same quality, price and possibly even more choice.

To use this service please telephone 01225 421456 as early as possible in the week but before 6pm on the Friday before the Saturday required. An answer machine will operate when we are not available and always leave your telephone number in case we need to contact you.

We do hope as many of you as possible will use this service, as we feel we have met some very nice people and would like to continue our relationship.

However we will understand if this is not possible and would like to thank each of you for your support in the past and wish you all the best for the future.

Regards

*Merv and Lyn Targett*
