**WASHING MACHINE PEN80-88S-1**

### Description

- a. **Beautiful shape:** simple and clear contour, soft and elegant color.
- b. **Spray and waterfall flow:** intensive eight-spray water results a stereo waterfall which makes detergent dissolved quickly and clean wash and rinse. It prevents clothes from wear-out effectively and prevents clothes from entanglement. It saves water and power
- c. **Brushing function:** innovative brushing with hand scrubbing makes clothes clean.
- d. **Profile design:** experts make a classic design with smooth contour beautiful and elegant.
- e. **Easy use:** water-filling option washing rinse and spinning can be made simultaneously.
- f. **Super capacity:** 8 kg it is capable of washing woolen blanket.
- g. **Never rust:** double-layer plastic-coated steel never rust.

### Technical Specification:

|                            |             |
|----------------------------|-------------|
| Rated Voltage              | 220 V/240V  |
| Rated Frequency            | 50 HZ/60HZ  |
| Rated Washing Capacity     | 8.0 KG      |
| Rated Spinning Capacity    | 6.0 KG      |
| Rated Washing Input Power  | 520 W       |
| Rated Spinning Input Power | 250 W       |
| Weight                     | 31.0 KG     |
| Overall Dimension (mm)     | 845x490x945 |
| 40' GP container loading   | 150 Pieces  |
| 40' HQ container loading   | 168 Pieces  |

**WASHING MACHINE PEN80-88S-2**

### Description

- a. **New design:** the folded window is transparent. So we can see the washing goods very clear and the folded window is very easy use.
- b. **Spray and waterfall flow:** intensive eight-spray water results a stereo waterfall which makes detergent dissolved quickly and clean wash and rinse. It prevents clothes from wear-out effectively and prevents clothes from entanglement. It saves water and power
- c. **Brushing function:** innovative brushing with hand scrubbing makes clothes clean.
- d. **Profile design:** experts make a classic design with smooth contour beautiful and elegant.
- e. **Easy use:** water-filling option washing rinse and spinning can be made simultaneously.
- f. **Super capacity:** 8 kg it is capable of washing woolen blanket.
- g. **Never rust:** double-layer plastic-coated steel never rust.

WASHING MACHINE PEN80-88S-4

### Description:

- Beautiful shape:** simple and clear contour soft and elegant color.
- Brushing function:** innovative brushing with hand scrubbing makes clothes clean.
- Novel water flow pattern:** Big wheel results novel water flow pattern that makes clothes clean with low wear-out.
- Quiet running design:** Planetary gear speed reducer transmits high power and runs smoothly with low noises.
- Super capacity:** 8 kg it is capable of washing woolen blanket.
- Spray and rinse:** Powerful spray results better rinse and clean saves time power and water.
- Never rust:** Plastic-coated steel never rusts.

### Technical Specification:

|                            |             |
|----------------------------|-------------|
| Rated Voltage              | 220 V/240V  |

WASHING MACHINE PEN72-2001S-1

### Description:

- a. **Spray and waterfall flow:** intensive eight-spray water results a stereo waterfall which makes detergent dissolved quickly and clean wash and rinse. It prevents clothes from wear-out effectively and prevents clothes from entanglement. It saves water and power
- b. **Maturity function:** High quality and top big capacity.
- c. **HAND-SCRUBBING-LIKE INTENSIVE WASHING:** Use washboard technology from counter rotating of 6 small wavy wheels associated with a big wavy wheel so clothes are cleansed under bubble explosion with little detergent and low wear-out.
- d. **Brushing function:** innovative brushing with hand scrubbing makes clothes clean.
- e. **Super capacity:** 7.2 kg it is capable of washing woolen blanket.
- f. **Spray and rinse:** Powerful spray results better and clean saves time power and water.
- g. **Never rust:** Double-layer plastic-coated steel. The bottom holder is adopted occluding design to guard against mouse. never rust.

### Technical Specification:

|                            |             |
|----------------------------|-------------|
