

Marine fossils of Pennsylvanian (upper Carboniferous) period

Crinoid stem

Ephemites nodocarinatus

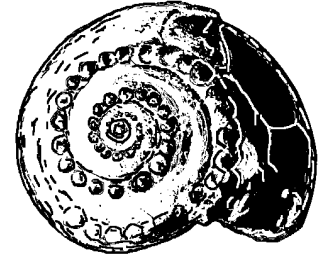

Pharkidonotus sp.

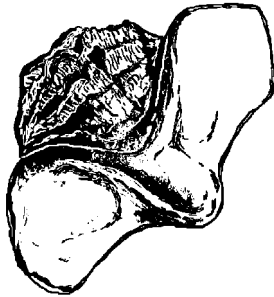

Straparollus (Amphiscapha)

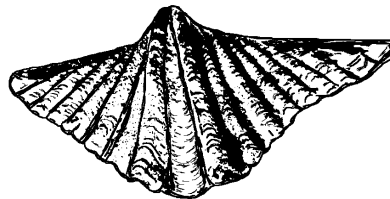

Dolorthoceras sp.

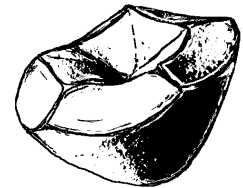

Trepospira sp.

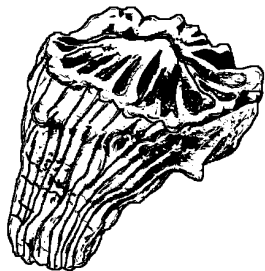

Knightites (Cymatospira) montfortianus

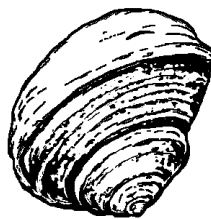

Brachiopod *Punctospirifer* sp.

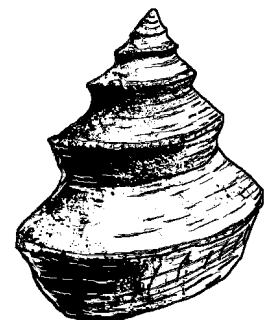

Basal cup of free-floating crinoid
Paragassizocrinus sp.

Rugose coral
Lophophyllidium radicosum

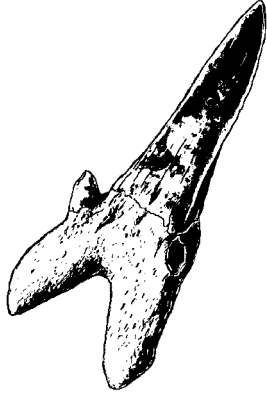

Glabrocinculum sp.

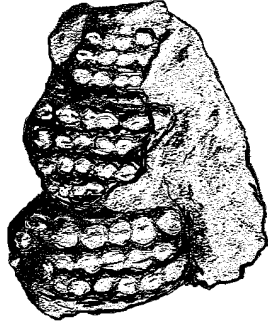

Worthenia tabulata

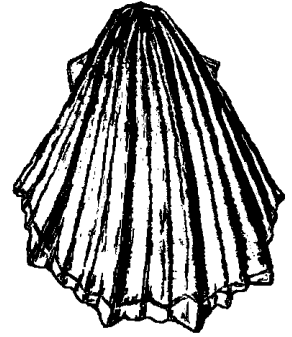

Marine fossils of Cretaceous period

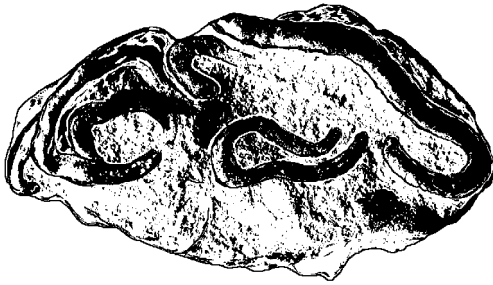

shark tooth
(*Leptostyrax macrorhiza*)

Mariella (Plesioturritites) brazoensis
Turrilitaceae

Neithea subalpina

Serpula sp.

Taxigryphae sp.

Plicatula sp.
