

ATTENTION ALL PERSONS WHO WORKED IN PORT MORESBY OFFICE 1964/1965/1966

While the above notice may have been a year or two before you started reading The Sydney Morning Herald, we know that you were there! (some time after)

For those of you from around the mid '60's it's approximately 50 years since some of you may have worked in PORT MORESBY OFFICE.

Perc Hartley and a small crew are endeavouring to gather as many people as possible from around that era to attend this year's Annual Reunion to celebrate this milestone.

A list has already been prepared and mailed to those who we believe were in Port Moresby at that time, making them aware of this event.

A Harbour Cruise Luncheon is also planned for Saturday 20/9/2014 for those '50 Years on' ex Port Moresby staff.

If you worked in Port Moresby during this period, and have not already received a mail out with full details, please contact –
