Dear Parents/Guardians,

Welcome to Project Challenge for the 2008-2009 school year. The Project Challenge Parent Association promotes and supports gifted education and related activities in Plainview-Old Bethpage. We encourage parents, faculty and students to join together to provide organized support for the Project Challenge program.

Our first meeting of the school year will be on **Tuesday, October 28th at 7:00PM** at a site to be determined. We will inform you when it is set. We will have a short business meeting followed by a magic show. It's a family event, so bring the kids.

Membership in the PCPA is open to all families with students in the POB School District. Dues are \$12/family and will be used to defray the cost of programming for students and parents throughout the year. Kindly complete the form below and send a check for **\$12** payable to the **Project Challenge Parent Association** to:

Sincerely,
