Dear Parents/Guardians

STAR ENCOUNTER @ GIRLS' BRIGADE CENTRE (21 – 23 JUL 2006)

Faith Community Baptist Church warmly invites your child/ward to a holistic camp called "STAR Encounter".

The youths today face a much more challenging environment than their previous generation. I am sure you are as concerned as us about your child's/ward's future and his/her ability to overcome the complex and competitive environment. We would like to guide your child/ward to deal with:

- Interpersonal relationship
- Communication with parents
- Exam stress
- Self esteem and confidence issues
- Emotional, social and spiritual development

This is a three-day youth camp starting on Friday evening and ends on Sunday 4pm. With an experienced team of youth workers, we will equip your child/ward with skills to help him/her live a purposeful and fulfilling life. We offer good Christian values and guidance and the highlights are:

- Giving and receiving love
- Managing emotions effectively
- Relationship building e.g. family, friends
- Confidence to overcome life's challenges
- Awareness of right and wrong

Every child has immense potential and we are committed to partnering with you to help him/her develop to his/her unique fullest. We look forward to seeing him/her there.

Your child/ward will be a shining STAR!

In partnership
STAR Encounter Committee
